

Call for Papers

19th End-of-Year Conference of Swiss Economists Abroad

December 20, 2024 – University of Luzern

Abstract submission **deadline: September 30, 2024**

All around the globe, economists from Switzerland are involved in interesting research. The annual end-of-year conference of the Network of Swiss Economists Abroad aims to facilitate the contact and academic exchange between those researchers.

Eligibility: We are accepting papers in all fields of economics from researchers who are from Switzerland or have strong ties to Switzerland (e.g., BA or PhD from Switzerland) and are currently conducting academic research abroad. PhD students are especially welcome to submit.

Submission: Please submit an abstract of your paper through the online submission form at [here](#) before September 30, 2024.

Funding: We are very grateful to the Swiss National Bank for funding of the conference costs, including accommodation for the presenters and to the Swiss Society of Economics and Statistics for offering travel grants for PhD students presenting at the conference.

We are very much looking forward to your submissions.

Please pass this information on to Swiss economists outside of Switzerland that you may know and who are not yet members of the network. The conference is open to all economists interested in recent research and in networking.

For any additional questions or to join Swiss Economists Abroad, please do not hesitate to contact us at endofyear@swisseconomistsabroad.org.

Organizers:

Enrico Berkes (University of Maryland – Baltimore County), Aline Bütikofer (Norwegian School of Economics), Patrick Gaule (University of Bristol)

Local Organizer:

Lukas Schmid (University of Luzern)
